Dear IEFS Members: If you would like to present a paper or organize an IEFS session at WEAI conference, then please send IEFS an e-mail to iefsxx@gmail.com by Monday, January 19th, 2015. The e-mail should include the following information:

- **To submit a paper:** the paper title, abstract, and list of authors (with affiliations, e-mail and mailing addresses.) Please title your e-mail as "**WEAI 2015 Submission - Paper.**"

- **To propose a session:** session title, paper titles, abstracts, and lists of authors (with affiliations, e-mail and mailing addresses.) Please title your e-mail as "**WEAI 2015 Submission - Session.**"

The session time allocation is one hour and 45 minutes. A typical session includes a chairperson, three or four papers, and two to four discussants, with at least one discussant assigned to comment on each paper. Other formats, such as panels or roundtables, may also be used. To have a better idea about sessions, read **WEAI Guidelines for Conference Session Organizers.**

**The submitters are supposed to be IEFS members at the time of submission.** The selected papers and/or sessions will be determined by February 1st, 2015. If your paper/session is accepted, you will be notified when Dr. Hakan Yilmazkuday submits your session to WEAI, at which time you should register for the conference at [www.weai.org](http://www.weai.org). The registration fee for participants in IEFS organized sessions is the same as the WEAI member registration fee.

Thank you,

Hakan Yilmazkuday, Ph.D.
