Expectations of the Course

Make-up Exams - Make-up exams will ONLY be offered for documented emergencies. You can email me or you can call the Department and leave a message concerning your emergency. The Department’s phone number is 305-348-2316 at University Park Campus. After the verification of the validity of the documentation, you will be offered the make up exam. NO MAKE UP EXAMS will be offered if you miss an exam, it will count as a failure for that specific exam.

Electronics, Video and Audio Recording Policy - In case circumstances change and the course goes remote, due to the nature of a Remote course you will be required to have either a desktop computer, a laptop or a tablet for our remote meetings, assignments, assessments, and overall communication. You are not allowed to video or audio record my lectures or exams. Be advised that your cell phone, tablet and laptop computers should be turned off during my lectures. **VERY IMPORTANT: Assignments and Assessments in this course are not compatible with cellphones and or tablets. Assignments and Assessments should not be taken through a mobile phone or a tablet.**

Assignments

You will have homework assignments that will be executed individually. The due dates will be posted at your Modules weekly. They are short quizzes from Pearson MyLab Economics. These assignments will help you digest lessons from our lectures as well as textbook material.

In order to mitigate any issues with your computer and online assignments and assessments, it is very important that you take the Practice Quiz from each computer you will be using to take your graded quizzes and exams. Assessments in this course are not compatible with mobile devices and should not be taken through a mobile phone or a tablet.

Panther Book Pack

FIU has implemented the Panther Book Pack rental program, which provides your required print and digital course materials at a flat rate of \$20 per undergraduate credit hour. When you registered for your classes this session, you were notified via email of the required course materials that are included in the Panther Book Pack. The Panther

Book Pack program applies to all undergraduate credit hours per academic session. I recommend that you review the pricing for all materials across your classes this session compared to the Panther Book Pack flat rate. If the Panther Book Pack is not your best option, you may opt-out up to three days after the add/drop deadline. You may opt back into the Panther Book Pack up to three days after the add/drop deadline. If you do not opt out of the Panther Book Pack rental program, you will be charged \$20 per credit hour and the course materials will be reserved for you for the undergraduate courses for which you are registered. For more details, visit onestop.fiu.edu/bookpack.

Course Communication

Communication in this course will take place via the LNTOME@FIU.EDU. It is imperative that students read the **Announcements**. Check out the [Canvas Conversations Tutorial](#) or [Canvas Guide](#) to learn how to communicate with your instructor and peers using Announcements, Discussions, and the Inbox. I will respond to all correspondences within 48 business hours.

Discussion Forums

Keep in mind that your discussion forum postings will likely be seen by other members of the course. Care should be taken when determining what to post.

Discussion Forum Expectations:

This activity will be conducted in a group format. For each discussion, you will post an original analysis of the topic. Most of the time you will have specific questions to address. Answer each one of them in order. Before the deadline, you are required to return and submit a critique in 1 posting of one of your fellow classmates.

Schedule

Policies

As a member of the FIU community, you are expected to be knowledgeable about the behavioral expectations set forth in the [FIU Student Conduct and Honor Code](#).

In addition, the [FIU Policies and Procedures Library website](#) serves as the official repository for university-wide policies and procedures.

Technical Requirements and Skills

One of the greatest barriers to student success is a lack of basic computer literacy. By computer literacy, we mean being able to manage and organize computer files efficiently and learning to use your computer's operating system and software quickly and easily.

Academic Integrity

Florida International University is a community dedicated to generating and imparting knowledge through excellent teaching and research, the rigorous and respectful exchange of ideas, and community service. All students should respect the right of others to have an equitable opportunity to learn and honestly demonstrate the quality of their learning. Therefore, all students are expected to adhere to a standard of academic conduct, which demonstrates respect for themselves, their fellow students, and the University's educational mission. All students are deemed by the University to understand that if they are found responsible for academic misconduct, they will be subject to the Academic Misconduct procedures and sanctions, as outlined in the Student Conduct and Honor Code.

Academic Misconduct includes:

Cheating

- The unauthorized use of any materials, information, study aids, or assistance from another person on any academic assignment or exercise unless explicitly authorized by the course Instructor;
- Assisting another student in the unauthorized use of any materials, information, or study aids, unless explicitly authorized by the Instructor; and
- Having a substitute complete any academic assignment or completing an academic assignment for someone else, either paid or unpaid;

Plagiarism

- The deliberate use and appropriation of another work without any indication of the source and the representation of such work as the Student's own.

- Assisting another student in the deliberate use and appropriation of another's work without any indication of the source and the representation of such work as the student's own.

State General Education Course Description and Outcomes

This course aligns with the state-mandated course description and student learning outcomes specified below.

ECO 2013 - Principles of Macroeconomics

In this course, students will learn the foundations of macroeconomics as the branch of economics concerned with how decision-making, in an environment of scarcity, maps onto the aggregate economy. Students will examine theories and evidence related the following core set of topics: national income determination, money, monetary and fiscal policy, macroeconomic conditions, international trade and the balance of payments, and economic growth and development.

Student learning outcomes:

- Students will recognize that all decisions happen in an environment of scarcity.
- Students will examine theories and evidence regarding how changes in aggregate measurements are related to economic performance.

- Students will recognize the relationships between the components of the national income accounts.
- Students will analyze theory and evidence regarding fiscal and monetary policies and how they affect the economy.
- Students will identify theories of long-term economic growth and examine evidence for those theories.
